SPIRITUAL ORIGINS OF OCTOGON: TOP LEFT

SISTERS OF ISIS : "SŒURS D'ISIS"

After their final Crusade, the Templars retreated to Europe and founded Switzerland in 1291. Enriched by the gold they looted from Egypt and Jerusalem, they named their new home base after the deity Isis, combining French and German phonemes for "Sisters of Isis." They established a matriarchal hierarchy, following their Pharaonic ancestry.

THE AMARNA HERESY

Akhenaten of the 18th Dynasty instituted the first monotheistic religion known to our history, when he merged the whole Egyptian pantheon into one solar deity, "Aton." This abstracted the notion of direct rulership by distinct divine beings through the rightful Pharaoh, and began the evolution of the philosophy that would lead to Judaism, Christianity, and Islam.

THE YAHWEH WARS

Yahweh, the God of the Jews, evolved gradually from the Canaanite deity El, a sky god associated with the Bull, and father of Baal. As supreme deity, Yahweh instructed his disciples to genocide all outsider "heretics." This is described in Exodus, wherein the foes of the first Kingdom of Israel are subjected to biological, sonic, and demiurgic warfare. The Hebrews previously worshiped the golden calf of El / Baal before Yahweh. The symbol endured.

MEROVINGIAN BLOODLINE

Also known as the "Grail Bloodline," the Noble families of Europe believe themselves to be the descendants of Jesus Christ and Mary Magdalene, with ancestry tracing back further to the Biblical Kings, and the Pharaohs of Egypt. Their vast wealth has been handed down through millennia, and they claim their authority to rule is granted directly by God. They govern the world through Maritime Law, and control the Gateway of the West.

SPIRITUAL ORIGINS: TOP RIGHT

Babylonian Money Magick

The Anunnaki, "Those who from Heaven to Earth came" entrenched themselves in Ancient Sumer to pillage the planet for Gold. They gave humanity mathematics and written language, but used these tools to create religion, debts, and the legal framework for enslavement. These tricks of the trade were passed on to the Jews, who have dominated banking ever since.

12 TRIBES OF ISRAEL

The original Hebrews were a composite of peoples that emerged from Baal worshiping Canaanites, the imperialist Hyksos (15th Dynasty of Egypt), and descendants of the Karnak priesthood. Their bloodline was further tainted by the Khazarians' Jewish conversion in the AD 700s, and multiple near-total exterminations throughout history. They adopted Babylonian influence after being conquered by Nebuchadnezzar. Judah, Babylon and Khazaria (Ukraine) guard the Gateway to the East, aka The Silk Road. Their symbol is the Star of Rempham, representing 666.

THE SYNAGOGUE OF SATAN

Jews have been expelled from countless lands, kingdoms, and countries throughout time, for practicing Kabbalistic Black Magic and thinly veiled Satanism. Saturn, Set, and Satan all follow the same archetype as the nemesis, or contender to the prime Deity, and share phonemic similarity.

- Gen. 1. [Primordial] : Yahweh / EL / Geb / Anu / Uranus
Gen. 2. [Titan] : Satan / Set / Osiris / Saturn / Cronus / Enlil / Enki
Gen. 3. [Son of God] : Baal / Horus / Jesus / Zeus / Jupiter / Marduk

PHARAOH'S OBELISK

Obelisks are symbols of Pharaonic domination, Victory in War, and the Phallus of Osiris. Their uppermost keystone represents the Egyptian practice of circumcision, a satanic trauma ritual that defiles the divine template of Creation.

THE ABRAHAMIC INFINITY WAR

The Death Cult spawns front group, subsidiaries, and spin-offs to pit against one another and propagate their religion of Eternal War. One god vs. Many Gods (Judaism). One God vs. One God's Son (Christianity). One God's Son vs. The Final Profit (Islam).
"There Can Be No Glory Without War" - Borgia Colonna Coat of Arms

SABBATEAN MESSIAH

Sabbatai Zevi claimed to be the Jewish messiah in 1666, attracting a massive following before being forced to convert to Islam. His "reincarnated" successor Jacob Frank continued his movement, which taught "purification through transgression", that sin was holy, and that sexual debauchery was a virtue. This crypto-denomination of Judaism is now the de facto religion of the Khazarian Mafia. "Do what thou wilt"

EPILOGUE

Octogon Group is in the process of being dismantled by a global revolution involving populist uprisings, covert military operations, and turncoats within the Octogon ranks, who have seen the writing on the wall; That the Death Cult ultimately leads to self annihilation.
